Attn: Mr. F. Redding

Dear Floyd:

Enclosed you will please find two (2) copies of our Engineering Report No. 5232, the proposed evaluation program for the HR-73C Configuration.

The purpose of the report is to further acquaint you with our approach to the problem and to describe the progress made to the date of its writing.

I know [] is maintaining an interest in the program and shall therefore forward to him a copy of the report.

Very truly yours,
